

Transportation Options

As we prepare for the upcoming school year, we want to provide you with valuable information about our bus transportation services and alternative options.

Our Bus Service:

We do offer a complementary bus service, contracted through a 3rd party, however it does have limited availability. The buses follow a set route with designated stops. We have limited ability to make adjustments to ensure safety and efficiency and so it may not be perfect option for your family/situation. The registration form in on our website at <http://www.pivottampa.org>

Exploring Alternatives:

Here are some options to consider if our bus service doesn't meet your needs:

- **Carpool:** Team up with neighbors or other students nearby for shared rides.
- **Public Transit:** Check local bus routes and schedules.
- **Walk or Bike:** Promote a healthy commute for your child, when possible.
- **Third-Party Providers:**

We've gathered information about 3rd party (for-profit) companies that offer transportation services. Please note that Pivot Charter School is not affiliated with these companies:
